

CATHOLIC CHARITIES

of the Diocese of Raleigh, Inc.

THANK YOU for supporting our shared ministry through your contributions to the Bishop's Annual Appeal and by direct donations to our non-profit organization.

Why, Where and How We Serve

Our ministry is to be the two feet of Christ, carrying charity and justice into the world, often one family at a time. With one in five children living below poverty level in our state, the needs far outpace social reforms and available services to enable all to live with dignity. Catholic Charities serves without regard to religious affiliation.

One Family at a Time

Recently, Luis, a high school student whose family was helped by Catholic Charities during a long stretch of unemployment, wanted to give something back. Luis ran his own fundraiser with fellow students doing an athletic event for Catholic Charities. This young man was so grateful for the assistance he and his family received when he was only 12 that years later he was inspired to contribute so that others in need could be helped.

Peace & Justice

- o Education and advocacy to develop just policies
