BISHOP'S ANNUAL APPEAL

# International Adoption May be for you.

We provide international adoption services to people of all religious backgrounds in Eastern North Carolina. We work with agencies across the United States who place children from foreign countries.

We have staff readily available to provide the following services...

## **Intake**

Answer questions, give information, and help you begin the adoption process.

Assist you in linking with an international placing agency, and with the Immigration and Naturalization Service (I.N.S.)

## **Home Study**

A series of interviews.

A mutual assessment of your readiness to adopt.

A written summary provided to your placing agency, and to I.N.S.

## **Preparation for Adoption Groups**

Under the guidance of an adoption specialist, explore with others the issues of particular significance to adoptive parents and children. Learn about issues particular to International Adoptions as well.

## **Post Placement**

Supportive services during the adjustment period.

Catholic Charities has been involved in adoptions since the inception of Nazareth House in 1899. Our adoption specialists have been helping families to adopt internationally since 1985.
