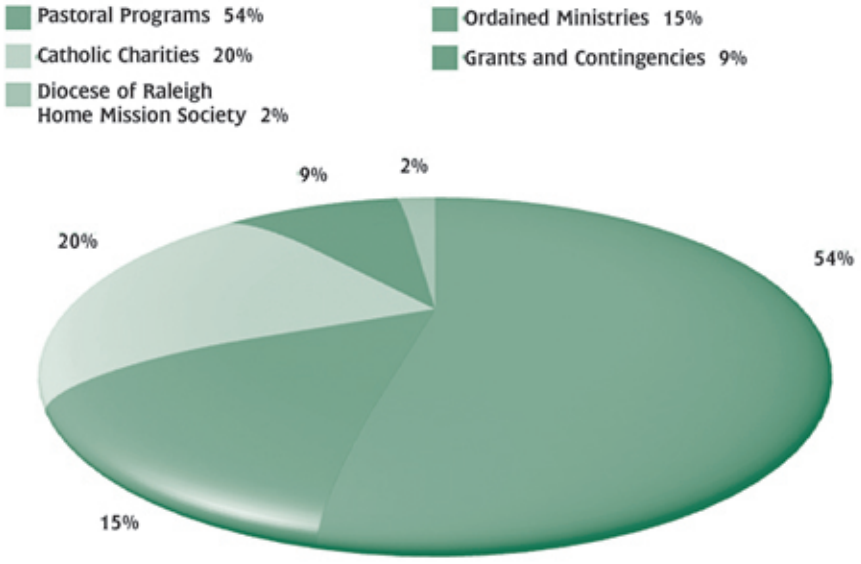
BISHOP'S ANNUAL APPEAL

Next weekend, everyone will have the opportunity to complete a pledge form during Mass. You will find a sample below. If you have already given this year, or are not able to give but can pray for the success of the Appeal, there is a place where you can mark that on the form. Every donation is important and greatly appreciated. Please contribute generously to help Bishop Burbidge with the work of the Diocese.

Over the past few weeks, you have seen and heard examples of just a few ways your pledge to the Bishop's Annual Appeal helps people across the Diocese of Raleigh benefit from and share in the good and gracious work of God.

The Bishop's Annual Appeal provides basic funding for programs, ministries and services that help to build the Kingdom of God in our Diocese. Your contribution is very important; we can be most successful in this endeavor only if each of us has a part in the process.

Bishop's Annual Appeal Funding



Some Bishop's Annual Appeal ministries are supplemented by Diocesan funding.

Prayerfully consider how you have been blessed by God and your ability to participate in the Bishop's Annual Appeal. An equal sacrifice, not an equal gift, is what each household is asked to put forth. Your contribution will have a positive impact on the lives of those people who depend on the ministries and programs supported by the Bishop's Annual Appeal.

Please make your check payable to: "Bishop's Annual Appeal." Full or partial payment of your pledge by credit card is welcomed. Please note that we cannot set up recurring charges on your behalf.
