

How a Priest has Influenced My Life

We met at the font
To wash away sin
The day I became
A brand-new Christian
You're there to hear sins
When my soul needs a lift
You consecrate Eucharist
God's greatest Gift
I'll treasure the moment
My wedding vows said
As you will preside
On the day that I wed
And you'll anoint me
When I am frail and weak
When my Savior
I am about to meet
