

Screenings and Criminal Background Checks for Volunteers and Employees

Guiding Principles for screening and background checks:

- Safety and well being of our Children
- Creating a Sense of Welcome and Hospitality to our children and youth and the adults who minister with them
- Developing screening standards that are appropriate to the level of interaction with children and youth while at the same time minimizing the inconvenience to the volunteer and their supervisors
- At all times, a two deep ministry strategy should be the standard
- All adult volunteers would be trained and continually updated on recognizing and reporting child abuse, reporting suspected cases of abuse of minors and other issues to ensure safe environments for our children and young people.
- At family/intergenerational and whole community events at parish or school (for example: liturgy, parish picnics, school plays, etc.), when parents are expected to supervise their own children and youth, volunteers at these events would not be required to be screened. The exception is when specific supervision is provided for children and youth (a nursery, age specific programming).

Using these guiding principles, there are convenient, effective, relatively unobtrusive methods to screen all adult volunteers who work with children and youth. Parishes and schools will comply with the diocesan standards of screening and background checks using the categories of volunteers and employees listed below. Interviews, references checks, and background checks will be conducted by the supervisor of the volunteer (as designated by the pastor). Parishes and schools will maintain a file of all volunteers (remote, occasional, supervised and unsupervised) and will submit a list of all supervised and unsupervised volunteers who have completed the appropriate level of screenings and checks to the Diocesan Director of Child and Youth Protection on an annual basis.

Parents do not require screening and background checks in order to participate in events or programs where their child(ren) participate. If they assume a volunteer role which would involve interaction with children other than their own as described below, they would be expected to participate in the appropriate level of screening. Please note:

- If a person is registered on the state or national sex offender registry, they shall not be granted level A, B or C clearance. Those who aspire to be Church Personnel and are satisfying a civil penalty due to the commission of a felony shall be denied level C clearance.
- Volunteer roles may be restricted or terminated when, in the judgment of the Bishop of Raleigh or a local pastor, a person exhibits behavior contrary to the moral and religious doctrines of the Roman Catholic Church and the Code of Conduct for Church Personnel.
